ACKNOWLEDGEMENT

St Margaret's Anglican Parish Eltham acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the land on which we worship. We commit to working for reconciliation and justice for First Peoples. Diversity and inclusivity are important to us at St Margaret's. Everyone is welcome here, regardless of race, gender, sexuality, or ability.

Dendy House works

We are pleased to report the three rooms on the right side of the Hallway in Dendy House have now been prepared for their new floors.

A complex process undertaken with considerable care from the construction company. The work includes stumping, plumbing and ventilation to this point.

As Dendy House is now off limits we ask for your respect of changes and some inconveniences that will occur over the ensuing weeks.

The Vicar is now using the Vestry as her private office space. Please do not use for any other purpose.

Carolyn is setup to work in the Church on her normal work days.

With thanks. The Wardens.

Prayer of the Week

Lord,
we beseech you to keep your family, the Church,
in continual godliness,
that through your protection
it may be free from all adversities,
and devoutly given to serve you in good works,
to the glory of your name;
through Jesus Christ our Lord. **Amen.**

ABM PEW REFLECTIONS

St Mark tells us about the parables Jesus used to talk about the kingdom of God. We see that the kingdom is mysterious in that growth happens because of complex and unseen forces. Growth is organic rather than programmatic. The kingdom begins in a very small-scale way, but flourishes with the right kind of care.

- What small-scale can I do this week to begin something that may eventually flourish for the sake of the kingdom of God?
- Give thanks for the work and witness of the Church of the Province of South-East Asia.

“We need more young people !!!”

Do you think you are being called or drawn towards children’s and youth ministry here at St Margaret’s Church? And ...have capacity to act upon it??

The Diocese will be running the *scratch program*. If you are interested in attending, can you please speak with me, and we can discern together if these sessions are something you could embark on

Scratch program

From the diocesan Youth and Children’s Ministry team leaders

Scratch is an informed, practical, and hopeful project that works with vicars and key leaders to initiate children and young people ministry in their church. Most churches can’t afford a paid worker and find it difficult to recruit volunteers. They’re also acutely aware that the kind of ministry needed may need to look very different from previous models to accommodate the changing culture. Scratch is ADOM’s answer to this challenge. It’s designed to give you the insights, models, and confidence you need to develop a strategy that will work in your own parish context, however humble the beginning.

Scratch starts in June and runs over 6 sessions spread over 8 weeks and includes lunch.

Hall Facilities

A reminder for Church Groups using the Hall Facilities.

Could all church groups that use the hall and kitchen facilities please remember to leave it clean and tidy for the next group.

Please fill up the urns & kettle, ready for use and if the hall needs a sweep, there is a broom in the kitchen and also the first cupboard in the alcove area.

If for any reason something more is needed, please let Mary know and we will get the cleaner to come.

At the moment the Church & hall are cleaned on a Monday afternoon and the & Vestry/Dendy House (or deep clean while time allows) on a Thursday. The bathrooms are cleaned on both those days.

Thank you, Mary

Something new for St Margarets Church!!

I would like to trial a

Vicar's Surgery

Why have a vicar's surgery

- A way by which I can listen, learn and discern what is going on in the life of the church .
- This will be an opportunity for me to further deepen relationships and further connect with our church community.
- To discern what God has placed in people's hearts and minds for the betterment of our church (mission/ evangelism) and Gods kingdom here on earth.
- To enable our church community to use this time to voice their concerns and worries within the church context.
- To foster a sense of agency within the church context
- To hear people's stories
- Giving church members a space to be heard and valued

What the vicar's surgery is not

This is not a pastoral encounter – this is church matters only.

What happens with what is being discussed shared?

If needs be – what emerges will be shared with other groups, committees, Wardens and Parish Council. Not all things will result in the need for action.

Surgery dates and times

Watch this space!!

Calling all you 'skilled' sewers

St Margarets Church is in need of some altar frontal cloths and chasubles to match.

I thought it could be a wonderful project for folk to be involved in. The group would be involved in choosing fabrics, the design along with sewing them of course!

At this stage we are just registering people's interest. If there is enough interest and capacity, then the fun can begin!

If you are interested, we would be grateful if you can speak with sacristans Barbara Speed and Jan Gack and your name can be added to a list.

Please contact them before the ending of June.

Peace and all good

Revd. Yvette
